

CSRI Conference and COVID-19 UPDATES

Hello CSRI Attendees,

Over the past 24hrs, we've seen many universities and colleges implement domestic travel bans. In addition, international travel advisories and restrictions, as well as advisories to restrict gatherings of over 250 people and limit travel by individuals with underlying health conditions have been put in place.

Many of you have reached out to the CSRI Conference Planning Committee to express concerns and offer suggestions. For this we thank all of you!

In light of the growing travel bans and taking into consideration the well-being of our attendees and speakers, we've made the difficult decision to cancel the 13th Annual CSRI Conference on College Sport.

Early next week we will finalize our 2021 conference dates and will communicate that information to you as soon as possible.

In regards to registration, we're happy to hold your registration until the 2021 conference or let Kim Boone - kboone@sc.edu know if you would like to – or need to - request a refund. We will process all refunds as quickly as possible.

We have appreciated your patience and understanding as we have worked through the many issues surrounding this situation. Moving forward, we wish everyone the best as you, your families, students and your institutions navigate this uncharted territory.

If you have any questions, please don't hesitate to reach out.

Sincerely,

The CSRI Committee
kboone@sc.edu
